

Walk #5

Berry Point Loop

GaLTT's Great Winter Walkabout

What to expect

Approx time: 45 minutes

Approx distance: 2 km

Difficulty: moderate (hills)

Begin: very end of Berry Point Road (up the hill beyond Orlebar Point)

Quiet neighbourhood roads, forest trails, and maybe even a side trip to the Surf!

Watch for **GREEN FLAGGING TAPE** at confusing spots, but please note that the entire walk is NOT flagged. (The tape will be removed when the Walkabout series ends in February.)

Please note that some of these trails are on private property, and be respectful of the land and owners. Contact GaLTT for trail licence info.

Directions

Park on the road allowance turnaround at the end of Berry Point Road (in the 1100 block). Look for the trailhead rock and GaLTT trail sign (to Clarendon) on the stump and walk up the laneway. Just before the closed gate, turn right by the trail sign and follow the path through the forest. After about 15 minutes, you will emerge and turn right onto Clarendon. Watch for the shed with a bicycle mural on the right and the trail sign below it, posted to Surf Lodge. Follow this path down through cedar/fir forest, past the pond and bearing left after the old water tower. Continue down the hill to the dirt road (Chichester West) that runs behind the Surf and turn right by the trailers.

Walk along the lane, and turn right past the Chichester Rd sign and big Cedar. Look for the trail post and turn left onto the path. (If this trail becomes too wet, go back to the intersection and walk down to Berry Point Road). When you come out of the trail, onto another lane, look for the trail sign on a hydro pole. This short path will take you to Chichester Road East, which leads to Berry Point Road. A right turn and a climb up the hill will take you back to the trail head.

You've got till February to complete at least 6 walks to enter for a chance to win a prize—it's not too late to pick up your Trail Journal from our prize donor North Road Sports!
