

Join the Walkabout for a new way to look at trails you may already know! Islanders told us about their favourite trees and each week for ten weeks beginning January 12th, details of a self-guided walk incorporating special trees will be emailed to GaLTT members (join at GaLTT.ca) and posted on the GaLTT website.

Why trees? They are the foundation of our ecosystems, providing home, shelter and food to a variety of creatures, and one big tree produces enough oxygen for four humans each day. Not to mention, they can look magnificent.

Winter Walkabout 2022: TREES

WALK 3

WALK 5

WALK 8

WALK 8 (alternate)

WALK 1

WALK 6

WALK 4

WALK 9

WALK 7

WALK 2

WALK 10

Complete at least 7 walks by the end of March and submit this Trail Journal to North Road Sports for a chance to win one of three prizes.

Trailheads are marked with painted rocks (thanks to Gabriola's Grade 6/7 class!) and routes are marked with green flagging tape. Both will be removed in late March.
